Shavonne Holton, Site Supervisor

Work Experience: Shavonne has been the Site Supervisor for the Carmel Elementary ESE program for over four school years. Before coming to Carmel Elementary, she was a facilitator for the ESE program at Smoky Row and an Assistant Site Supervisor for the Smoky Row and Towne Meadow ESE programs. In the summer, Shavonne supervises the Success on Stage program through Carmel Clay Parks and Recreation's Summer Camp Series. The camp began as a just a performance camp, but has grown to include a production camp that designs sets, learn about stage make-up, and much more. Before coming to Carmel Clay Parks and Recreation, Shavonne has led a dance ministry at her church and served youth through her sorority.

Fun Fact: Shavonne loves roller coasters and playing sand volleyball!!!

Jacob Moore, Assistant Site Supervisor

Work Experience: Jacob has been the Assistant Site Supervisor for the Carmel Elementary ESE program for three school years now. He was a facilitator for a year before that. He spent the summer working at the Outdoor Explorers summer camp. Jacob has a four year degree from Indiana Wesleyan University. He is currently studying to become an Information Technology professional and work with computers.

Fun Fact: Jacob is getting married in May!

Etta Pauley, Facilitator

Work Experience: Etta has worked for ESE for five years and loves working with kids. She has also worked with little kids that were two years old at a day care. A club that she has created for ESE was Fun with Floam, and the kids really liked getting creative with their hands. In this club, they made a starfish, castle, cartoon charter, ocean animals, dinosaur, and butterfly using play foam. She is working on going to school and is going to major in writing and poetry.

Fun Fact: Etta likes going to the movies with her family and writing poetry.

Brian Lahti, Facilitator

Work Experience: This will be Brian's second full school year working with the ESE program. Brian really loves working with kids as they participate in many hands on, creative, and active clubs at ESE. He also works with children during vacation bible school at church. He spends time as a mentor and youth leader and loves being involved with children. Brian is currently going to school to become a teacher.

Fun Fact: Brian went to Uganda, Africa in July visiting and working with an orphanage with over 1,000 kids.

Monique Smith, Facilitator

Work Experience: This is Monique's second year at ESE as a facilitator. She worked at Success on Stage over the summer bringing her knowledge of theater and production to the forefront. She enjoyed working with the kids to help them grow in performance and production. Before working for Carmel Clay Parks & Recreation, she also worked as a counselor at Camp Indy, and volunteered as a youth mentor. She also has many years of babysitting experience under her belt.

Fun Fact: Monique owns a photography business with her husband.

Brittany Rowe-Rent, Facilitator

Work Experience: Brittany has attended Purdue University and loves to read and write. She previously worked at an afterschool program. She has a two year old son named Daveon. Brittany is excited to be a part of the Carmel ESE program!

Fun Fact: Brittany is currently writing a book!

Cameron Johnson, Facilitator

Work Experience: Cameron has been working for Carmel Clay Parks and Recreation since December 2010. He enjoys being a facilitator because he likes working with kids and trying to lead them in the right direction. He started working when he was young as a junior counselor at numerous sports camps. He uses what he learned as a junior counselor in the ESE program: treat kids with respect and set a positive example for the students.

Fun Fact: Cameron is a sports fanatic who enjoys working out and playing basketball.

Msaïke Badawi, Facilitator

Work Experience: Macy has been working for Carmel Clay Parks and Recreation for a couple of years. She enjoys working with children aged five to twelve. Macy thinks that her experience with children in different parts of the world makes her job easier when dealing with different cultures. Macy is willing to exchange experiences with parents because she is a proud mother of three grown up and successful kids.

Fun Fact: Macy likes learning and teaching languages. She is fluent in two languages other than English.

Tiffany Wheelen, Facilitator

Work Experience: Tiffany Wheelen started working with children in 1999. After working in a family daycare, Mrs. Wheelen was positive she liked teaching kids. Mrs. Wheelen started to volunteer at a local church in Ft. Myers, FL during vacation bible school. Mrs. Wheelen started attending college to become a preschool teacher in 2010 and will continue along the path of educating the children of tomorrow. Mrs. Wheelen enjoys watching children learn new things, and of course, having fun.

Fun Fact: Tiffany enjoys hiking and geo-caching.
