Lenisha Conners, Inclusion Facilitator

Work Experience: Lenisha has been working for Carmel Clay Parks and Recreation since September of 2010. She started off as a facilitator, but she worked as an inclusion facilitator last school year.

Although she works one-on-one with a student, she still makes time for the other children. Prior to working with CCPR, she worked at a daycare where she gained many skills that made her a good fit for her current job. She loves kids and works very well with them.

Fun Fact: Lenisha is a mother of two, but still finds time to do her favorite thing: dance.
