

Prairie Trace

Tuesday Clubs

AM Clubs (7:30)

Bingo Mania: Join us for this exciting way to learn letters and numbers!

Overall Goal of Club: Students will recognize numbers and certain patterns.

State Academic Standard Incorporated: Mathematics (Number Recognition)

PM Clubs (4:10)

Summer Time: It is getting warmer, and we are getting into the summer frame of mind with this club!

Overall Goal of Club: Students will be able to follow directions as given by the facilitator.

State Academic Standard Incorporated: Fine Arts: Creating Art: Studio Production (Understand and apply elements and principles of design in personal works of art, utilizing a variety of media, tools, and processes)

Noodle Hockey k-2: Who says you need an ice rink to play hockey? We sure don't; we just need energetic students, and we'll supply the equipment! Join us for this club to find out how we use a popular summer water toy to create a hockey rink, ESE style!

Overall Goal of Club: Students will learn the basic rules of how to play hockey and will practice proper hockey techniques.

State Academic Standard Incorporated: Physical Education: Movement Concepts (Students demonstrate an understanding of movement concepts, principles, strategies, and tactics as they apply to the learning and performance of physical activities)

Silent Ball 3-5: In this game of skill and wit, see if you have what it takes to play without making any noise.

Overall Goal of Club: Students will learn eye-hand coordination, cooperation with others, and how to perform a task quietly.

State Academic Standard Incorporated: Physical Education: Physical Activity (Students participate regularly in physical activity)

PM Clubs (4:50)

Fusing the Blues Away: It has been a long time since we had a fuse bead club, and we are giving the people what they want in this awesome craft club!

Overall Goal of Club: Students will be able to make geometric shapes out of fuse beads.

State Academic Standard Incorporated: Visual Arts: Fine Arts: Creating Art: Studio Production (Understand and apply elements and principles of design in personal works of art, utilizing a variety of media, tools, and processes)

Weather Crafts: Wouldn't you love to learn more about the weather while at the same time being crafty??

Overall Goal of Club: Students will be able to tell the different types of clouds.

State Academic Standard Incorporated: Science: The Physical Setting (Earth and Processes that Shape It)

Relay Races: On your mark, get set... go be one of the first kids in line to join this super fun athletic club!

Overall Goal of Club: Students will be able to follow directions as given by the facilitator.

State Academic Standard Incorporated: Physical Education: Physical Activity (Students participate regularly in physical activity)
