Monday Clubs

AM Clubs (7:15)

Basketball: Every second counts as the clock counts down 3... 2... 1... Will you make the shot at the buzzer? Come out to play Basketball at ESE!

Overall Goal of Club: Students will show good sportsmanship as they play a good health activity.

State Academic Standard Incorporated: Physical Education (Motor Skills and Movement Patterns: Demonstrate competency in motor skills.)

Tissue Paper Crafts: The holidays are long gone, but I know most of us have lots of this lightweight paper left over! Let's find out some new ways to make use of tissue paper! My guess is you will be surprised!

Overall Goal of Club: Students will get their imagination going with a craft of lighter measure.

State Academic Standard Incorporated: Fine Arts (Visual Arts: Creating Art, Developing a range of subject matter.)

PM Clubs (4:10)

Bat 'n Ball (K-2): Play ball! If you enjoy playing baseball, then you'll love Bat 'n Ball! Bring your friends and see how you can throw, hit, and run! Maybe even hit a homerun for your team!

Overall Goal of Club: Students will be able to hit, catch, and pitch baseballs.

State Academic Standard Incorporated: Physical Education (Motor Skills and Movement Patterns: Demonstrate competency in motor skills.)

Fingerprint Projects (K-2): How many things can we create using our fingerprints? You'll find out in Fingerprint Projects as you create dazzling art with your fingers and inkpads. Everyone has a unique fingerprint, so yours has a unique place at Fingerprint Projects!

Overall Goal of Club: The students will create original artwork using their fingerprints and inkpads.

State Academic Standard Incorporated: Fine Arts (Visual Arts: Creating Art, Developing a range of subject matter.)

Volleyball (3-5): Bump! Set! Spike! Those of you who enjoy getting active and playing with your friends are going to really love the Volleyball club! We will be learning the correct way to bump, set and spike the ball as well as play a full out game and practice our skills! Come one! Come all, because it's going to be a ball!

Overall Goal of Club: Students will learn skills such as bumping and setting and practice using them in a game.

State Academic Standard Incorporated: Physical Education (Motor Skills and Movement Patterns: Demonstrate competency in motor skills.)

Backpack Charms (3-5): Do you like to put charms on your backpacks? If you answered yes, then this is the club for you!
