

# Smoky Row Elementary

## Tuesday Clubs

### AM Clubs (7:15)

**Dodgeball (K-5):** Don't try and dodge this fast paced game; it will be fun as everybody plays a friendly game of dodgeball.

**Overall Goal of Club:** Students will enforce sportsmanship as they compete in a game that is physical in nature.

**State Academic Standard Incorporated:** Physical Education (Motor Skills and Movement Patterns: Students demonstrate competency in motor skills and movement patterns needed to perform a variety of physical tasks)

**Fuse Beads (K-5):** Have fun using patterns and colors and enjoy melty goodness with Fuse Beads! We will experiment with different ways of combining the beads to make several different crafts. Ooze on over to join the fun!

**Overall Goal of Club:** The children will experiment with different bead color combinations and patterns to make fun take-home crafts!

**State Academic Standard Incorporated:** Fine Arts: Visual Arts (Creating Art: Studio Production: Understand and apply elements and principles of design in personal works of art, utilizing a variety of media, tools, and processes)

### PM Clubs (4:10)

**Four Square (K-2):** The students will learn how to play the fun and exciting game of Four Square!

**Overall Goal of Club:** To help the students learn more games and the rules of how to play those games so they can share with their peers.

**State Academic Standard Incorporated:** Physical Education (Health-Enhancing Physical Fitness)

**Twisted Club (K-2):** Do you like twisting and making things? If so, you should come to this club, where we'll make all kinds of things out of pipe cleaners!

**Overall Goal of Club:** Students will be able to create unique creatures and figures using pipe cleaners.

**State Academic Standard Incorporated:** Fine Arts: Visual Arts (Creating Art: Studio Production: Understand and apply elements and principles of design in personal works of art, utilizing a variety of media, tools, and processes)

**Kickball (3-5):** Do you enjoy playing sports? Are you someone who likes being active? Come join this club of Kickball and watch how exciting it can be!!!

**Overall Goal of Club:** Students will be able to kick, catch, and pitch a kickball.

**State Academic Standard Incorporated:** Physical Education (Motor Skills and Movement Patterns: Students demonstrate competency in motor skills and movement patterns needed to perform a variety of physical tasks)

**Bug Club (3-5):** Do like bugs? Do you just want to learn how important they are to the world? Come join us for fun facts and crafts on some common, but not always so loved, creepy-crawly friends!

**Overall Goal of Club:** Students will learn the importance of some of the more commonly seen insects. They will also make crafts relating to the bugs, making them a bit friendlier.

**State Academic Standard Incorporated:** Fine Arts: Visual Arts (Creating Art: Studio Production: Understand and apply elements and principles of design in personal works of art, utilizing a variety of media, tools, and processes)

### PM Clubs (4:50)

**Four Square (3-5):** The students will learn how to play the fun and exciting game of Four Square!

**Overall Goal of Club:** To help the students learn more games and the rules of how to play those games so they can share with their peers.
