

Enrichment Club Narratives

Just Dance	Do you like music and moving to the beat? Come listen to music, discuss the differences, and figure out what music is the best to dance to.
Morning Shuffle	Get moving in the morning to dance and games that get you up and at 'em!
Board Game Blitz	Start your mornings off with your favorite board games, including Battleship, Connect Four, Checkers, and Clue.
Friendship Bracelets	Spend the morning making wearable string art for your friends.
Viva Las Vegas	Learn how to beat the house and improve your math skills at the same time!
Yard Works	Learn how to look for things in nature that you might otherwise miss. Make birdhouses and find beautiful butterflies.
In the Movies	Watch short films while learning about protagonists, antagonists, climax, and resolution.
Girls Just Wanna Have Fun	Girls are complicated. We like basketball and tiaras, jumprope and facials. We'll be doing all sorts of fun activities that have stood the test of time.
Wacky Doors	The gym will be busy with football, basketball, and other games that you know, along with teaching good sportsmanship.
Dodgeball Frenzy	Friday is always dodgeball day. This first round teaches a whole new set of dodgeball games, such as pinball, doctor dodgeball, and king ball.
Great Artdoors	Learn how to draw the basics, and then study what the masters have done over the centuries and see if you can imitate them...we'll be heading outdoors for inspiration.
Crochet	For those of us that need a little help, this club will show the basics of crochet, beginning with simple chains and working up to reading a pattern.
Multiple Choice	Don't like the clubs going on today? Want to have your voice heard? Come join us here where you get to pick the activity!
All Stars	We'll be running our gym activities in the gym and outside on nice days. Get exercise in organized sports while enjoying the weather.
Legion of Doom	Come invent your own superhero and create a comic for him. Learn in the meantime how you can find your own superpowers.
Spring Crafts	Spring is the time for creativity. Come get rid of the winter doldrums by letting your artist back out!

Tea Time	Tea is a centuries old tradition, and it tastes good, too. In this club, you'll get to sample different teas while learning about their history.
Trivia	Just what it says. If you think you know, or want to know, or don't know...come see us.
Scientific Method	Mrs. Agness is at it again...she's ready to make another volcano and blow it up for our last site celebration. Join her as she does this and more!
Kid Vs Wild	Make trail mix and hit the road, where our facilitators will have you ready to work for National Geographic!
Coke or Pepsi	If you like to discuss, debate, and decide, this is a great way to start your morning. We'll be taking surveys, discussing likes and dislikes, and practicing the fine art of chat.
Celebration Station	Miss helping out with the site celebration? It's back...plan your party!
Frolf (3-5)	Frisbee plus golf gets you frof...enjoy the weather while learning the rules of this fun park game.
Recycle That!	This club is determined to make ESE greener!
Great Debate	This is what you asked for: a club where you can talk...make up surveys, play Zomondo, and in general hang out doing what you like to do best!
Play 60	Mr. Barton's clever version of outside gym games: 4 square, basketball, playground!
Soccer	What's better in spring sun than a great game of soccer? We'll be dividing the kids by age, so come enjoy the sun while using your head!
Writer's Block	For the aspiring writers out there, this club will let you out your thoughts and observations on paper. On nice days, this club will meet outside.
Stacked Deck	Our own version of the numbers games, this club will teach you how to play fun card, dice, and domino games while strengthening your math skills.
Scrabble It	Starting with the basic scrabble game, we'll see if we can move beyond the basics. Push yourself by using the dictionary to find new words!
Wild and Crazy Kids	Join Mr. Jones in the gym as he teaches street games with attitude...hopscotch variations, pantomiming, and a few I bet you've never heard of!
Snap Beads	Snapbeads are the perfect combination of puzzle, fusebead, and lego...multicolored bits of plastic that snap together in an endless array of designs.
String Art	String Art is almost as popular as dodgeball and requiring just as much dexterity. We'll be doing the traditional finger weaving, along with some new twists.

Kicking and Running	The name says it all...dodgeball, kickball, junkyard...a variety of sports to keep you up and moving.
Catch Me If You Can	Mr. Jones strikes again with a club full of new and interesting variations on tag. We know you love to run, we know you love to chase, and we know you love the sun. Enough said.
Bookworms	Our bookworms have demanded this club for awhile, so it's making its great return. Now that the weather is nice, we see nothing wrong with grabbing a patch of grass and cuddling up to a great read.
Scientific Crafts	Combine science and art with this club, doing everything from making a mini Rube Goldberg machine to racing balloon rockets.
