FOREST DALE ELEMENTARY

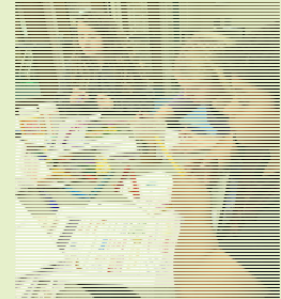

ESE Cares!

By: Charlsie Krauss, Assistant Site Supervisor

Our Forest Dale ESE program has had the pleasure of working on a community service project for Wheeler Mission. Our children spent two weeks collecting items to make "We Care Bags" that will be given out to the homeless during the holiday season.

Children and parents alike collected much needed items to help make the holiday season a little brighter for those who have nothing. After the items were collected, children took the time to write notes of encouragement to

those who would be receiving the bags. We are very proud of our children for the response they showed in giving to those in need. They are a great group of kids and we are proud to work with them!

Happy Birthday to You and You!!

By Charlsie Krauss, Assistant Site Supervisor

November brings with it lots of fun things when you are in school. The weather is getting colder, the leaves have fallen and Thanksgiving is just around the corner! We also have our November Birthdays!

Birthdays are an exciting part of a child's life, and we like to recognize them with a song, cards and of course, the birthday prize bag! I am amazed at how quickly the time flies as I have had the pleasure of watching our kids celebrate from Kindergarten through the fifth grade. We celebrated 11 birthdays this month with a song and a trip to the prize bag.

Birthdays are important, and we try very hard to make sure that every birthday is recognized! Happy Birthday to you and you and our parents too!
