MOHAWK TRAILS ELEMENTARY

Parents Night Out Mystery!

Daniel Keim, Assistant Site Supervisor

This month we had our Parents Night Out Game and Mystery Night! The kids had a blast playing games like Pokemon, Pictionary, Connect 4, and Twister. We even had a Connect 4 Tournament! Kids also munched on some pizza and Kool Aid. Later in the evening, Mr. Keim went “missing,” and the kids were split into teams to try and solve the mystery and find him! Mr. Amaro from Woodbrook ESE made a video posing as the villain who kidnapped him and took him back to his former school. The kids had an absolute ball putting clues together, going around the school racing each other to the finish, and desperately trying to save Mr. Keim! What a fun time!

Happy Birthday!

Daniel Keim, Assistant Site Supervisor

During the 2018-2019 school year, Mohawk Trails ESE is recognizing all birthdays. We display a board across from the parent table every day, and this article will feature those birthdays each month.

We're certainly thankful for these kiddos celebrating their birthdays in November! Happy birthday to Colton D, Lucas D, Meghan W, Brock S, Collin P, Brayden L, and Bentley M. Not pictured are Paytien W, Norah G, and Carley H.
