TM ESE Cares: Spreading Warmth & Cheer!

Amanda Gillim, Site Supervisor

Spreading Warmth- We made no-slip socks for the residents of Brookdale Carmel. We used puffy paint to decorate each sock. Some made fun designs and some added more detail, creating happy scenes and characters. We hope these socks are helpful, cozy, and make people smile!

Spreading Cheer- We are also making holiday cards again for the children at Riley Hospital! We want to send some happiness and cheer this month. Our kiddos love to create and share their art. We will continue making cards all month at ESE!
