WEST CLAY ELEMENTARY

## Helping Others– Salvation Army clothing drive

*Jessica Ballinger, Assistant Site Supervisor*

This year the West Clay ESE program bought back their Salvation Army clothing drive. We are asking for donations of gently used clothing of winter hats, boots, coats, sweaters, and pants. We are also collecting gently used toys, books and games and will be donating these items to the Julian Center.

This is a great opportunity to teach kids to get involved and help those who may need a helping hand. We will be collecting items until Friday, December 14th. Help us make this holiday season bright and cherry for families in the area.

## November Birthday Celebration

*Jessica Ballinger, Assistant Site Supervisor*

There is a lot to be thankful for in the month of November. You have family gatherings, snow, and for these kiddos you have birthdays. We celebrated with a goofy picture, a certificate and \$5.00 to spend at the e-store. Pictured is Mahesh, Jonathan, Mason and Gillian. Not pictured for the celebration was Haniya, Wyatt, Domingo, Harper, Carolyn, Hudson, and Emma.
