

October Festivities

Graham Cecil, Assistant Site Supervisor

October was a busy month here at Carmel ESE—we had our first site celebration, Lights on After Dark activities which included a dance party, fall crafts, popcorn and a movie. Last but not least, we had a very special appearance from the Carmel High school Choir. ESE would like to say a HUGE thank you to the Kouns family for helping arrange this amazing show. The kiddos and staff loved hearing the beautiful music and the exciting dance routine. Several of the kids were singing the tunes days later!
