FOREST DALE ELEMENTARY

## Lights on Afterschool 2018!

*By: Valeska Simmonds, Site Supervisor*

What a night at FDE! We had ghosts, superhero's, a couple of Egyptian princesses and a visit from Cruel de Ville her self at our Lights on After School party! On October 26th we pulled out all of the stops and let the good times roll! We went from pizza dinner to a costume contest that brought out all the stars to some fun games in the gym finishing up with Halloween Bingo in the café. We were everywhere and in every room we heard laughing and giggles. It was quite the night and we cannot wait to do it all over again next year!

## The Happy Birthday Club!

*Charlsie Krauss, Assistant Site Supervisor*

Calling all birthdays! The birthday club is up and running again! This month we had 18 birthdays. That is a lot to keep track of!

Each month our birthday kids are recognized with and given a birthday card, a prize from the prize bag and then we pull them to the front and sing the birthday song. As you can imagine with you have over 100 children in the café all singing at once you hear a variety of birthday song versions.

It is a little off key but always sung with joy and happiness. Our children love to recognize the friends special day and so do we!
