MOHAWK TRAILS ELEMENTARY

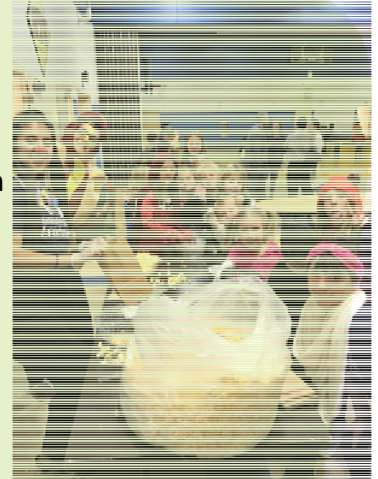

Fall Fun!

Daniel Keim, Assistant Site Supervisor

October was a busy month for everyone here at Mohawk Trails ESE! Between our Pancake Breakfast site celebration, Lights On After School, and a new rotation of clubs, there seems to always be something exciting going on!

Our Lights On Afterschool celebration was AWESOME! We threw a Fall Festival with costumes, fun games, a popcorn bar, and a Gagaball pit. The students in the picture pose as they get some yummy popcorn!

Our new rotation of clubs is keeping the students refreshed as they have many new choices of activities in the mornings and afternoons. Sometimes a change-up is just the thing we all need to keep things from feeling stale instead of fun and exciting!

Happy Birthday

Daniel Keim, Assistant Site Supervisor

During the 2018-2019 school year, Mohawk Trails ESE is recognizing all birthdays. We display a board across from the parent table everyday, and this article will feature those birthdays each month.

We're jealous that these kiddos get to enjoy their birthdays right in the middle of Fall! We hope these students had great October birthdays— Owen B, Marshall J, Jarvis J, Sarah J, Ryan N, Parker R, Lucas T, Chloe W, Lucas W, and Landon W.
