SMOKY ROW ELEMENTARY

Field Day Fun for *Lights On After School*

Felicia Diaz, Assistant Supervisor

So many fun and exciting things were happening this past month of October. Of course, Halloween always brings about excitement. On top of Halloween, we also celebrated *Lights Out After School*, which is a special day to recognize the importance of after school programs all around the country. To celebrate at Smoky Row, we had a day filled with special games and contests that included a pumpkin roll race, a ping pong toss, a hula hoop contest, and a mummy wrap competition! The students and staff had a great time spending a beautiful autumn day outside with all the festivities underway. Here are students Tyce P. and Eli E. pictured competing in the pumpkin rolling race.

Birthday Celebrations!

Felicia Diaz, Assistant Supervisor

Happy Birthday to everyone with birthdays in October! We hope all our students with October birthdays enjoyed their special time. We were happy to acknowledge each and every student with an October birthday on our special Birthday Bulletin Board. Students also seemed very happy to sport their stretchy birthday bracelets. Pictured are a few of our students who celebrated a birthday in October! All of our students celebrating their special day in October were: Klaus P., Matthew A., Aarav S., Braydon C., Leah F., Arnav B., Ato Q., Nicholas V., Cooper R., Lucy I., Emma I., and Jackson O.
