## 3rd Annual Spooky Fall Festival

*Amanda Gillim, Site Supervisor*

We celebrated our Lights ON Afterschool event with our 3rd annual Spooky Fall Festival. We had a fun-filled evening with caramel apples, pumpkin painting, and Halloween BINGO. New this year, we had the kids wrap Mr. Shears and Mr. Brown as mummies. Once they were wrapped head to toe, they raced as everyone cheered them on. After the race, the kiddos decided to have their own fun and wrap their friends up as mummies, too! It was a successful Lights ON Afterschool event and we thank everyone that spent the evening with us!
