WOODBROOK ELEMENTARY

OPERATION: Food Rescue

Christian Amaro, Assistant Site Supervisor

Here at Woodbrook, our school has partnered with Food Rescue, an organization that provides food and beverages to those in need. Every day, students have an opportunity during lunch to place uneaten and unopened food in designated bins for donation, and each Friday a representative comes by to pick up donations. We started participating in this donation process last year and are happy to continue this year! Each day there are typically one to two trays of leftover snack, most of which would normally be thrown out or taken home. Throughout the week a staff member, with some help from students, takes the items that are leftover and places the items in the donation bins. At first, many of the students did not understand why we were donating uneaten snack, but once it was explained many were completely fine with opting out of second snack and paying it forward for a great cause! We plan on continuing this great cause throughout the duration of the 2018-2019 school year.

November Birthdays!

Christian Amaro, Site Supervisor

November is going to be a busy month, between choir practice, afternoon extracurricular, and Day Light Savings! Thanksgiving will be here before we know it! Each month we recognize our students' birthdays, this occurs on Fridays during our RICHER Right Up moment. Each student receives a WB ESE pencil of their choice and gets to stand on the stairs in front of their peers!

November birthdays include Lily FW., Sophia S., Abigail M., and Anya H. We wish everyone a Happy Birthday!
