WEST CLAY ELEMENTARY

October birthday celebrations

Jessica Ballinger, Assistant Site Supervisor

October brings with it lots of fun things when you are in school. The weather is getting colder and the leaves are changing colors. There are fall parties and Halloween. There are also October birthdays. These kiddos decided to give my their scariest face to get ready for Halloween.

The October birthdays for West Clay were Ben, Kameron, Miles, Shaurya, and David. No here for the celebration was AhJoon. These little goblins can't wait to spend their birthday money at the next student store.

The First Store of the Year

Jen Hammons, Site Supervisor

Our Student Store is the hit of the program, and this first store of the year was no exception. Of course, when we start giving out our RICHER dollars, the new kids have no idea what they are for.

We explain the store, but until you experience it, there really is no way to understand it. That moment of understanding happened earlier this October as the students brought their ideas and their products, and participated in our favorite Econ experiment.
