SMOKY ROW ELEMENTARY

Holiday Slime Raffle!

Felicia Diaz, Assistant Supervisor

Smoky Row had a blast the last week of the semester. Everyone was excited for the holidays. To encourage cheer, we decided to have a raffle where students got a chance to win a big container of slime! Students received a chance to multiply how many times their name was put in the raffle by doing good deeds and exhibiting excellent behavior towards their peers. Smoky Row students did an excellent job with this! Two names were pulled in the raffle, and the winners were Liam S. and Alex V.! Congratulations to both boys! Pictured to the right is Alex with his prize!

Birthday Celebrations!

Felicia Diaz, Assistant Supervisor

Happy Birthday to everyone with birthdays in December! We hope all our students with December birthdays enjoyed their special time. We were happy to acknowledge each and every student with a December birthday on our special Birthday Bulletin Board. Students also seemed very happy to sport their stretchy birthday bracelets. Pictured are a few of our students who celebrated a birthday in December showing off their birthday certificates. All of our students celebrating their special day in December were: Emma A., Katelyn B., Sandra B., Joey F., Jessica H., Oran J., Emma K., Shermon K., Madeline K., Rebecca R., Miles S., Miller T., and Amelia W.
