TOWNE MEADOW ELEMENTARY

Happy, Happy Birthday at ESE

Amanda Gillim, Site Supervisor

We love birthdays at ESE! Though we want to celebrate each of you everyday, when it is your birthday, we want to share in the celebration of YOU! When your special day comes around, a certificate, a prize from the prize box, and a cookie-decorating party will be in your near future at ESE!

Each month we will have everyone sing for our birthday kiddos and give them a little party to decorate a birthday cookie!

This month will be for December and January birthdays.

Happy, Happy Birthday at ESE!

Winter Wonderland PNO

Amanda Gillim, Site Supervisor

Before going on Winter Break, we had our first Parents Night Out! Our Winter Wonderland fun began with pizza and cookies. Then we got to go sock-skating in the gym, what a blast!

We made gingerbread houses and delicious, homemade ice cream! We played BINGO with awesome prizes and got to keep sock-skating in the gym all night long!

The most attended station was Gingerbread Houses, but the most popular were Sock-skating and BINGO!

THANK YOU to everyone who spent the evening with us!!
We can't wait for our next PNO in May!
