MOHAWK TRAILS ELEMENTARY

## ESE Comes to Bankers Life!

*Daniel Keim, Assistant Site Supervisor*

Each year, we take a look at all of the kids who have received a RICHER Write-Up, and we select a boy and girl student who earned the most RICHER Right-Ups to win free tickets to a Pacers game. Well, the time has come to announce the winners and...drum roll...Landon C and Abby P are our winners this year! Well done, guys! They will have the privilege of attending the game with their parents and an ESE staff member for free, taking part in a special ceremony on the court during halftime, AND being up close to the players and possibly getting to meet some of them! What an awesome experience for our kiddos! We certainly are pumped for them.

## Happy Birthday!

*Daniel Keim, Assistant Site Supervisor*

During the 2018-2019 school year, Mohawk Trails ESE is recognizing all birthdays. We display a board across from the parent table every day, and this article will feature those birthdays each month.

We're so happy for these friends celebrating their birthdays this month! Happy birthday to Hudson G, Lucas N, Marcus L, Sam P, Julianne H, Holden G, and Jack B! Not pictured: Marin M, Levi H, Elliot S, Evan S, Avery H, Josiah M, and Will L.
