

Fantasy Football

Joey Castillo, Site Supervisor

At ESE, we understand that not all clubs will be a hit. However, we started a club at PTE that instantly turned into a favorite. Fantasy Football! The students were able to team up, or draft solo, and made a fantasy football team. They were able to trade players, go head to head every week, and had an absolute blast doing it. We have been asked by multiple students to bring back the club next year, and we feel as though this club will be a staple in the PTE ESE program for a while. At the end of the season, Team Golden were the champs, and each student on the team took home a trophy. Congrats Team Golden!

January Birthdays!

Chris Aiken, Assistant Site Supervisor

January brought us 25 Birthdays here at PTE! January's birthstone is the Garnet. The garnet represents purity, truth, and friendship. January is also the birth month for a few famous faces you may recognize: Elvis, Eli Manning, and Justin Timberlake just to name a few.

January's bulletin board featured a space theme, as we blasted into the new year with these amazing kiddos!

Happy Birthday January! We hope you had the best Birthday ever!
