SMOKY ROW ELEMENTARY

## R.I.C.H.E.R. “Right”-up Star Students!

*Felicia Diaz, Assistant Supervisor*

The month of January is an exciting month, because it is time again to announce the two students from Smoky Row’s ESE program that received the greatest amount of R.I.C.H.E.R. “Right”-ups. The two students have been offered Pacers tickets to the game on Thursday, Feb. 7 at 7:00pm. At the game, all the student winners from the various ESE locations will be escorted to a Pacers Halftime Tunnel experience and get to high-five the Pacers as they are coming back out to the court from halftime. I am happy to announce that the two winners this year are Addison G. and Mia E.! R.I.C.H.E.R. stands for the ESE principles of Respect, Integrity, Caring, Harmony, Excellence, and Responsibility. These ladies display these qualities in abundance! Congratulations ladies! Pictured to the right is Addison G.!

## Birthday Celebrations!

*Felicia Diaz, Assistant Supervisor*

Happy Birthday to everyone with birthdays in January! We hope all our students with January birthdays enjoyed their special time. We were happy to acknowledge each and every student with a January birthday on our special Birthday Bulletin Board. Students also seemed very happy to sport their stretchy birthday bracelets. Pictured are a few of our students who celebrated a birthday in January showing off their birthday certificates. All of our students celebrating their special day in January were: Ryland T., Alivia H., Charlotte B., Ellie B., Peter R., Byxbee R., Landon O., and Bianca P. Pictured to the right is Byxbee R.!
