COLLEGE WOOD ELEMENTARY

Parent's Night Out Dance Party & Backpack Party

Audrey Cooper, Site Supervisor

Friday March 8th, ESE had their parents night out. This is a once a semester event when our program is open late at no extra charge to parents. We provide dinner and fun activities for free. This event we had a DJ come and we danced all night to a Neon Dance party. There were glow sticks, crazy dance moves, prizes, and a concert ticket give-a-way. Our lucky winner of the Kids Bop Tour tickets was Alaina McLendon.

Wednesday, March 13th—Kindergarten and 3rd grade celebrated winning the backpack challenge in February. These two grades worked hard everyday in February to keep their backpacks and belongings in order during ESE. Kindergarten celebrated with ice cream sundaes and 3rd grade celebrated with pizza!

March Birthdays!

Allison Wray, Assistant Site Supervisor

March was a great month for birthdays at ESE. If you were born in March you share your birth month with Shaquille O'Neal, Albert Einstein, Dr. Seuss, Mrs. Cooper, and Miss Wray! The birthstone for March is aquamarine which represents calmness. Did you know March 6th is National Oreo Day? Or March 11 is Napping Day? See below for the ESE students who celebrated their birthday in March!
