

## Throwback to Last Semester!

*Daniel Keim, Assistant Site Supervisor*

Last semester was just so jam-packed with awesomeness, we wanted to take a moment to look back at one of our service projects from December with the morning ESE kiddos! We decided to have the kids make dog toys using fabric to bring to some dogs at the Humane Society! The kids really worked hard on these toys as we discussed dogs at the shelter needing something to cheer them up until they can find owners. We're proud of the kids' hard work and we know the dogs appreciated them from the feedback we received!

## Happiest of Birthdays to You!

*Daniel Keim, Assistant Site Supervisor*

During the 2018-2019 school year, Mohawk Trails ESE is recognizing each child's birthday. We display a board across from the parent table everyday, and this article will feature those birthdays each month.

We're so happy for these friends celebrating their birthdays this month! Happy birthday to Delilah S, Kylee W, Christopher R, and Benjamin G. Happy Birthday also to those not pictured: Samantha B, Thayer D, Kelly G, Ava L, Noah C, and Brenna H!
