PRAIRIE TRACE ELEMENTARY

PTE ESE Chill Zone

Joey Castillo, Site Supervisor

We here at Prairie Trace ESE have instituted a 4th and 5th grade chill zone in our common area. We have had trouble getting the older students excited about coming to ESE, but this has changed everything. Knowing that they have a place to go where they can hang out with friends, play games, and chat has all of them excited to go to ESE. We currently offer it during our club times, but are looking to the future on how we can utilize it during other parts of program. We are glad that this little change has made our students and PTE ESE parents very happy.

March Birthdays!

Chris Aiken, Assistant Site Supervisor

March brought us 18 Birthdays here at PTE! Marches birthstone is Aquamarine. Aquamarine represents bravery and courage. February is also the birth month for a few famous faces you may recognize: Lady Gaga, Albert Einstein, and Chuck Norris, just to name a few.

Marches bulletin board was all about luck and leprechauns. With rainbow lettering and the students name on gold pieces. Pouring out of a cauldron.

Happy Birthday March! We hope you had the best Birthday ever!
