WOODBROOK ELEMENTARY

St. Patty's Party!

Christian Amaro, Assistant Site Supervisor

Every Friday at Woodbrook is pretty laid back and with St. Patrick's Day approaching we wanted to do something special! The Friday right before St. Patrick's Day, Woodbrook students had the opportunity to create a shamrock necklace, color some cool pages, and enjoy a sweet treat! Many of our students came to school decked out in green from head to toe, complete with all the accessories that one could imagine! Our students had a few options for their sweet treat: Shamrock milkshakes or a green Hawaiian Punch slushy! Our Junior Leaders were on hand to help out, whether it was helping put together milkshakes or assisting another student with their necklace craft! Our St. Patty's Day party was quite a success and as things began to wind down, our students simply went along with the regular Friday clubs! It is always fun when our students can relax and enjoy fun activities!

April Birthdays!

Christian Amaro, Assistant Site Supervisor

The students at Woodbrook have returned from spring break and are ready to fully embrace spring! We will continue to celebrate birthdays on Fridays and will do so early in the month so we can recognize as many students as we can. Birthday recognition occurs on Fridays during our RICHER Right Up moment. Each student receives a WB ESE pencil of their choice and gets to stand on the stairs in front of their peers to

receive a special shout out! We hope everyone has a great birthday!

March Birthdays: Charlotte G. and Marin F.!
