FOREST DALE ELEMENTARY

## Batter Up!

*By Hope Castillo, Head Kid Counselor*

It's finally baseball season, so we decided to bring baseball season right here to ESE. The kids are enjoying getting the fresh air and playing outside. But, they are also getting to learn the basics of pitching, hitting and fielding. We are also learning more about teamwork and showing good sportsmanship. Each week we focus on something new with the idea of becoming well grounded in baseball basics. Its a lot of fun and both the staff and children enjoy spending the afternoon outside playing ball! Baseball is always a popular club right here at ESE and we are looking forward to many more years of spring training and having fun!

## It's the Birthday Club!

*By Valeska Simmonds Site Supervisor*

The end of the school year is upon us and we could not go into the summer without acknowledging our April, May and June birthdays! Don't worry we will celebrate our July and August birthdays when we comeback from summer vacation in August!

A birthday is a special day for all children in our ESE program. It is their special day filled with laughter, song and prizes from the prize box! We hope everyone has a great time on their special day and we are looking forward to celebrating with our kids again next school year!
