

extended school enrichment

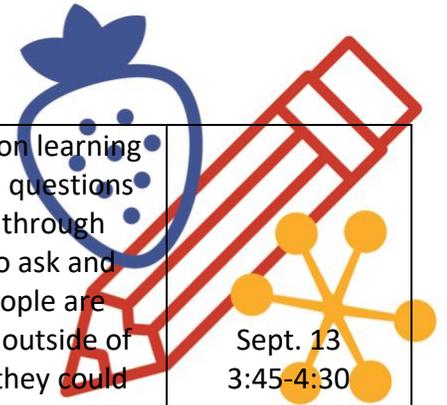

AWARENESS

Cherry Tree Site Plan #1 (Aug. 13 – Oct. 18)

Monday Gets Balanced	Activity	Discuss boredom with guided questions from website. Give kids a “simple” item and have them work as a group to come up with something creative to combat boredom.	Aug. 16 3:45-4:30
Monday Gets Balanced	Take Home Assignment	Swap Meet. Discuss simplifying, getting rid of extra stuff and what to do with it. Follow guided questions from website and brainstorm good swap meet items. Encourage students to go home and look for those extra items with their parents.	Aug. 23 3:45–4:30
Monday Gets Balanced	Student Reflection	Lead a discussion about simplifying using the guided reflection questions from the website. Ask the students that did the swap meet activity at home to share their answers to the swap meet questions.	Aug.30 3:45-4:30
Monday Gets Cultured	Topic Presentation	Discuss different cultures and how food play a big part in many cultures. Guided questions can lead you through discussion. Each counselor will have an iPad and take a small group to discuss foods in a specific culture. The group can decide on the culture they are interested in learning about. Each group can present a few popular foods in their culture to the whole group once done.	Sept. 13 3:45-4:30

AWARENESS

<p>Monday Gets Cultured</p>	<p>Take Home Assignment</p>	<p>Pen Pals. Lead discussion on learning about other cultures. The questions will guide the students through appropriate questions to ask and what kinds of things people are curious about in cultures outside of their own. Discuss what they could ask and encourage them to go home and pick a pen pal to start writing with their parents help. Supervisor will have a website for parents that has pen pal resources.</p>	<p>Sept. 13 3:45-4:30</p>
<p>Topic</p>	<p>Student Reflection</p>	<p>Use guided questions to discuss why learning about other cultures is important and the ways to go about doing this. Find creative ways to learn about their own cultures and how being open can make a positive impact on relationships.</p>	<p>Sept. 20 3:45-4:30</p>
