

SMOKY ROW

AM Clubs (7:30-8:00)

Land of Lanyards: Criss-cross applesauce. Use your fine motor skills to make a lanyard before you enjoy breakfast.

Overall Goal of Club: Students will use fine motor skills to weave plastic lanyard string, making various backpack keychains.

State Academic Standard Incorporated: Fine Art (Creating Art)

Club Highlights: Round Crown Keychain, Character Keychain, Longest Lanyard Challenge

PM Clubs (4:30-5:30)

Hockey League: You don't need skates to play hockey at Smoky Row! Join us to learn the basics of hockey.

Overall Goal of Club: Students will be introduced to the fundamentals of hockey and develop skills through guided play.

State Academic Standard Incorporated: Physical Education (Movement Concepts)

Club Highlights: Pass the Puck, Open Net, Backward "Skate"

World Explorations: Explore the world by making pieces of art derived from various cultures.

Overall Goal of Club: Students will create artwork that resemble items from cultures around the world.

State Academic Standard Incorporated: Fine Art (Creating Art)

Club Highlights: African Necklaces, Australian Rain Sticks, Tissue Paper Flags

Fuse Bead Friends: Fuse beading is one of the most popular activities at ESE! Come make a creation and watch it fuse together.

Overall Goal of Club: Students will use fine motor skills to place small beads onto templates and then watch them be fused together with heat.

State Academic Standard Incorporated: Fine Art (Creating Art)

Club Highlights: Animal Patterns, Specified Color Patterns, Flowers
