## Welcome Back!

Welcome back to a new school year and new adventures here at Carmel Elementary ESE! We welcome all the kiddos with open arms, and hope they are enjoying program as much as the staff are. We have several returning staff members: Mr. Bullard (Site Supervisor), Mr. Cecil (Assistant Site Supervisor), Ms. O'Neil, Ms. Osting, Ms. Sykes, and Ms. Iyer. We also have several new staff members: Ms.

Weifenbach (Head Counselor), Ms. Hendricks, Ms. Leshnover and Ms. Wiley in the mornings.

This year we have a couple adjustments to our schedule. We continue to have 45 minutes of homework time, but this year we have 15 minutes of quiet reading or homework. Followed by, 30 minutes of "homework stations". These stations vary each day. The options are: exercise (active games), board games, or technology (educational documentaries). Kids have loved the new options during homework time! We have a variety of brand new clubs that we are rolling out this year, staff and kiddos have been EXTREMELY excited about them! Some of our highlights are: Fantasy Football, Scooter Games, Wood Crafts (bird houses, sail boats, airplanes). There are several kid favorites that will be returning as well such as Fuse Beads, The Great Outdoors, Nail Salon and Movie Fridays.

## Time to Celebrate!

We have amazing kiddos here at Carmel Elementary and staff love rewarding all their hard work and kindness. Each week we have what we call the RICHER Ceremony! RICHER stands for Respect, Integrity, Caring, Harmony, Excellence, and Responsibility. If awarded during the week, on Friday we call off all the names of the kiddos that got a RICHER write up and they come up on stage and get a prize out of the prize box. On the last Friday of every month we also celebrate all the birthdays by singing Happy Birthday and hand out prizes. Birthdays are always special because it is YOUR day. Happy belated Birthday to all the summer and August kiddos!!!
