NEWS & VIEWS

Welcome Mr. Monson!

Please help us give a warm welcome to our new Assistant Site Supervisor, Anakin Monson! Mr. Monson previously worked for the College Wood Elementary ESE program as their head kid counselor for the past year. For the last three summers, he has worked at The Summer Experience summer camp. Mr. Monson is excited to come back to the elementary school that he attended as a child to help oversee a new generation of Orchard Park students. A passionate reader and singer, he hopes that the kids will come to enjoy the energy he plans to bring to the program. Orchard Park ESE is very excited to have Anakin as part of our team!

Vote For Your Clubs!

Orchard Park ESE offers four sets of different club activities for the kids to choose from. These switch every 10 weeks throughout the school year. For three out of four ten weeks, the kids are able to vote for clubs they want to see at our ESE program. This time around, the children were able to pick their top choices from a student questionnaire. We allowed the children to bring the form home over the weekend to work on with their parents. When these were given to the children, so many were excited to be able to voice their opinion on what clubs we should offer!

Our program is always looking for different club ideas from the children and parents. If you or your child have an idea, please let us know. We are always so excited to hear your opinion! Thank you all for having your children participate in this. We are looking forward to our new clubs starting on October 21st.
