NEWS & VIEWS

Student of the Week

Every week at PTE ESE, we choose different students to be our 'Student of the Week.' The student that is chosen has exemplified the R.I.C.H.E.R. principles, and has been a great friend to all. The student who has been chosen will get a small 'All About Me' poster to take home and fill out. When the poster is returned, it is hung on the bulletin board for all to see! We have been doing this program for the last two years, and we are happy to continue this tradition at our program. We love to showcase our students here at PTE ESE, and will continue to do so for years to come!

PTE ESE Library

Last year we started an ESE Library in the ESE office. We are hoping to give students a chance to read new and exciting books, by giving them the opportunity to check them out with us. This also gives them a chance to let us know which books or series they like so we can order more books for the library. We offer a 5 day check out with each book, and they can come back as many times as they want throughout the year. This year we have added about 20 new books to our collection, with more coming soon. We look forward to seeing all the happy readers this year!
