## Yoga Time

Cherry Tree ESE has their first yoga club this site plan, it will run until winter break on Tuesdays (grades K-2) and Thursdays (grades 3-5). Students will get a chance to learn yoga positions, play some games using their new skills and even do some superhero yoga. Pictured are a few of our students relaxing and stretching with their friends.

## November Birthdays

Happy birthday to those students that are celebrating a birthday in November! Here are some fun November facts: November has 2 birthstones, Topaz and Citrine. They are both known for their calming energy. November's birth flower is the chrysanthemum which symbolizes joy and love and is believed to bring happiness and laughter to the home. Some celebrities born in November include Matthew McConaughey, Shailene Woodley and Bill Nye. You'll need a big glass of milk to get through the month as November is known as peanut butter lovers' month. We hope everyone has a great birthday!
