Parks & Recreation

Existing Conditions

- Playground
- Exercise Equipment
- Restrooms
- Shade Structures
- Picnic Shelter
- Half-Court Basketball
- Resurface Trail
- Parking Lot

Design Concept

Design Concept

Play feature for toddlers and smaller kiddos (ages 2-5). Will have a cluster of the "acorns" to mimic a little village.

Design Concept

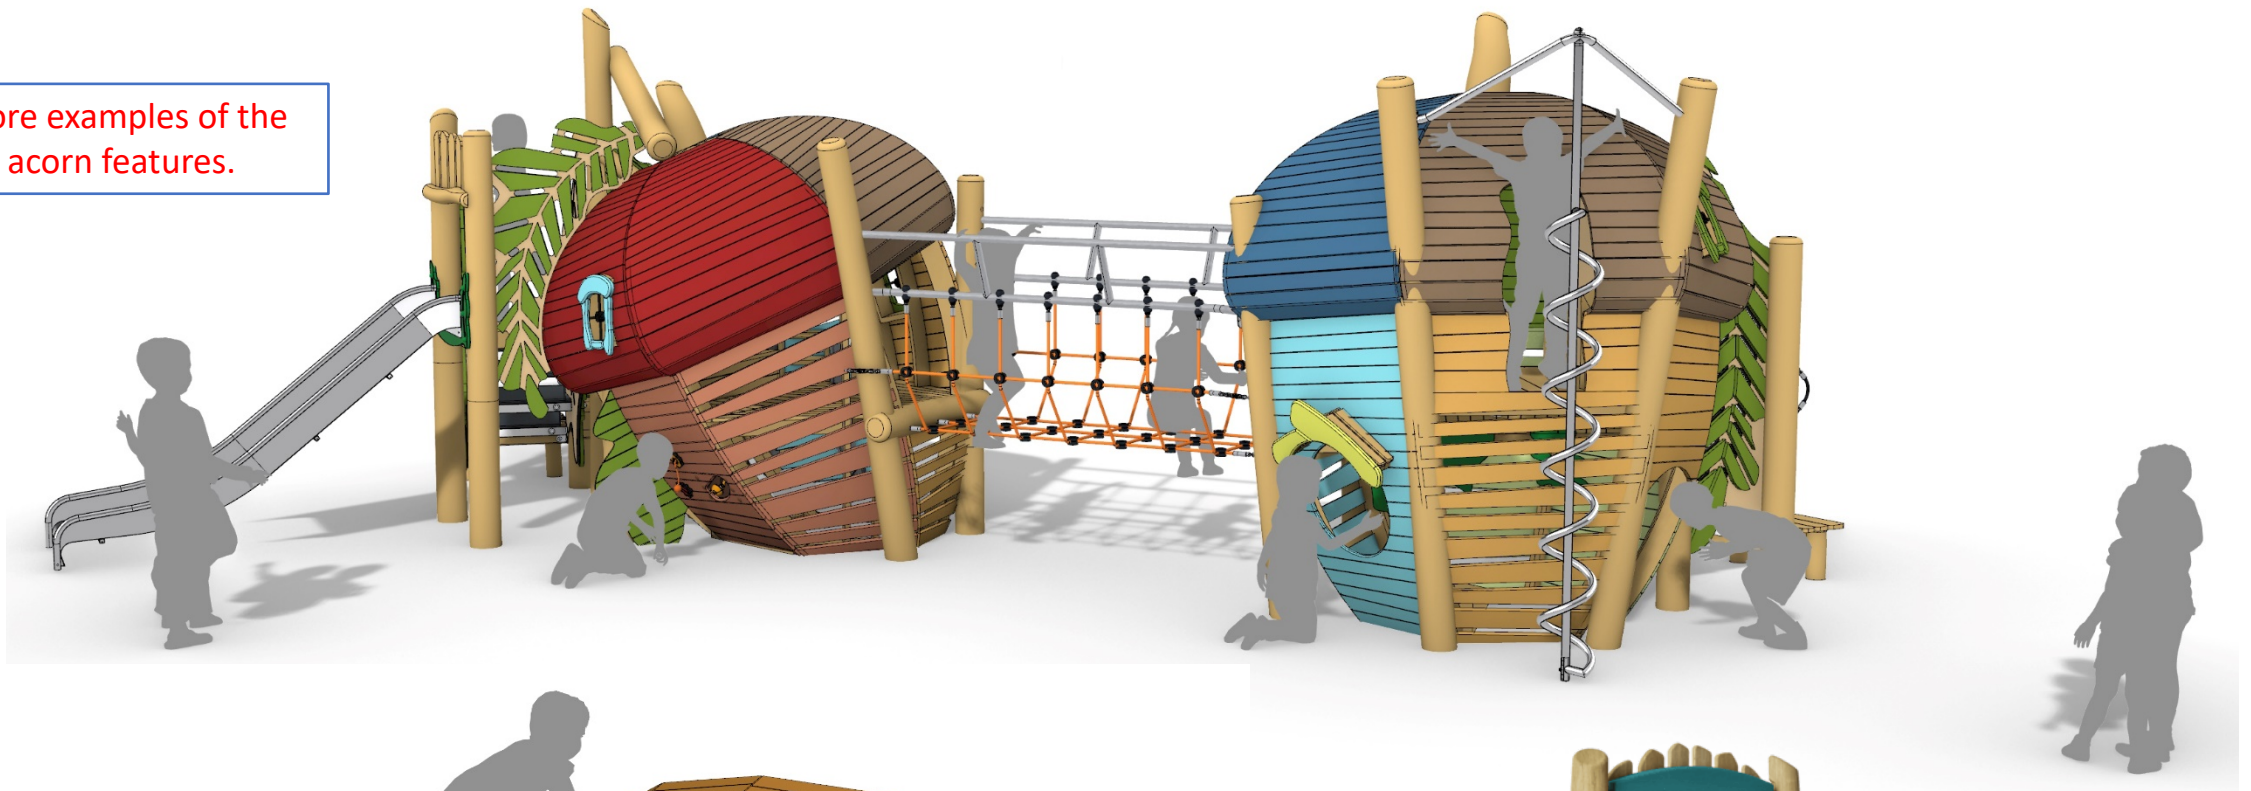

INITIAL SKETCH ONLY
Design will change due to
construction and production

KOMPAN

Carmel • Clay
Parks & Recreation

More examples of the acorn features.

"Leaf" climber for the smaller kids.

"Stage" for impromptu performances; will have "log" seats for the audience.

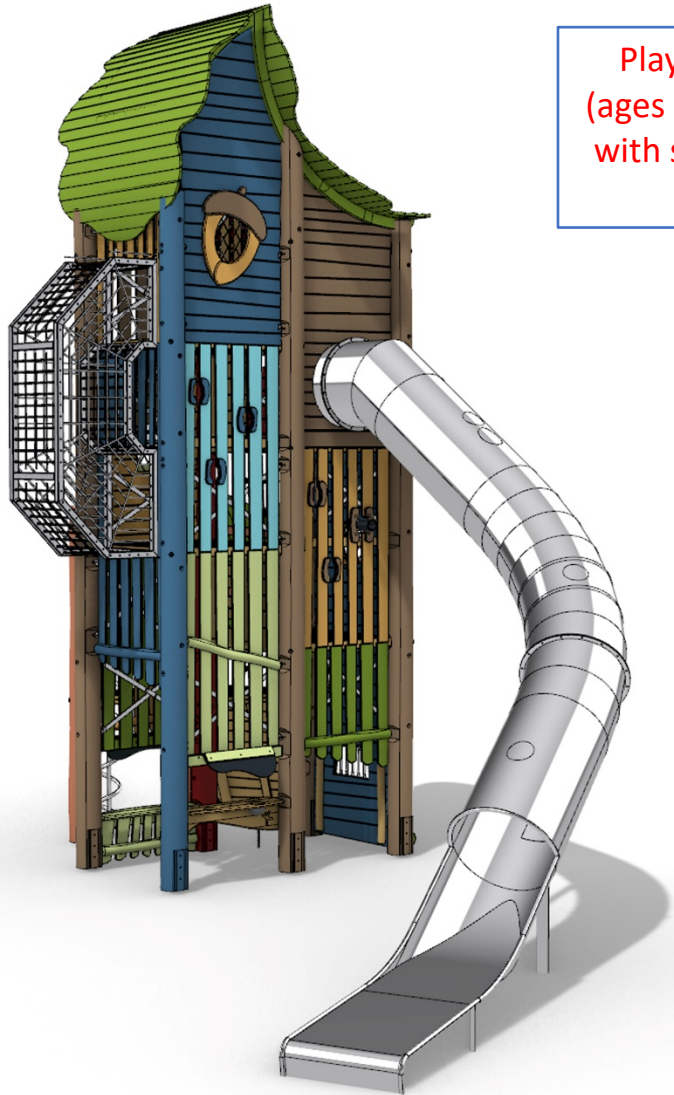

Design Concept

Carmel • Clay
Parks & Recreation

Design Concept

Musical features envisioned between 2-5 & 5-12 playgrounds, under a shade structure.

Exercise features around trail and overlooking playground. This way parents/guardians have option to be active & watch their kiddos.

Design Concept

Design Concept

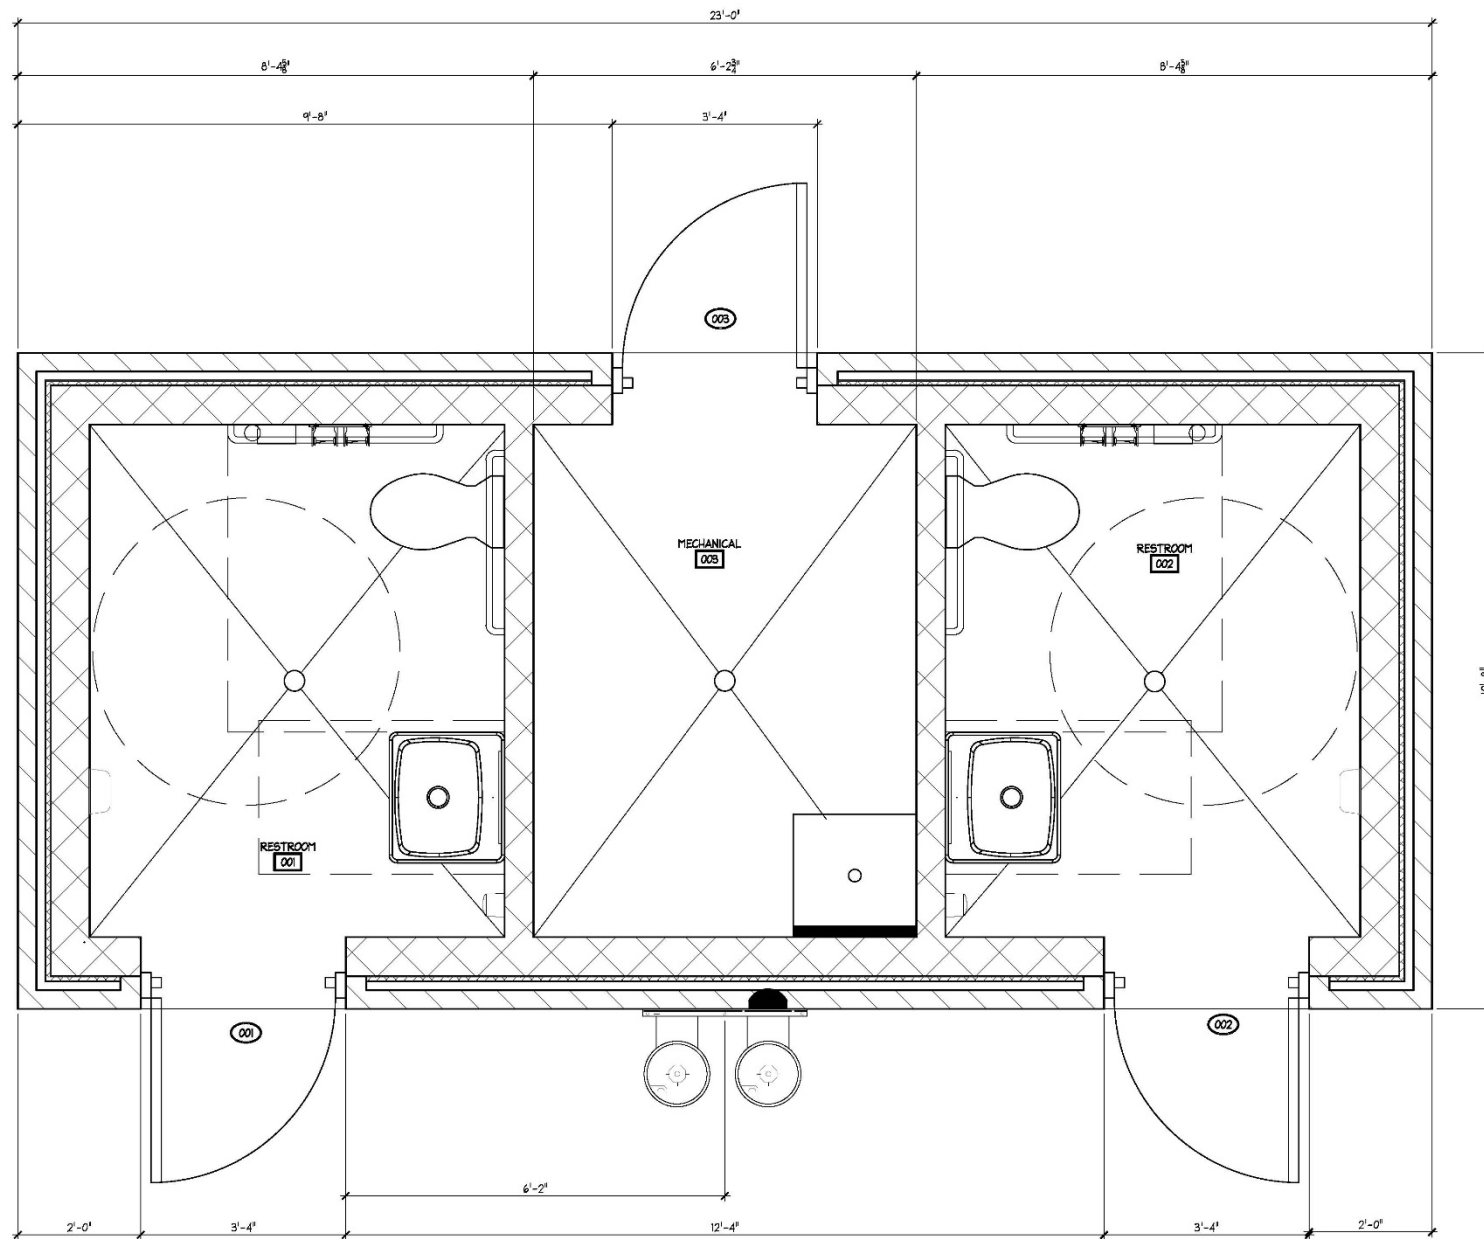

Examples of shaded seating areas and swinging benches.

Reconfigure & expand parking lot; add second entrance and convert to one-way traffic through parking lot.

Design Concept

Design Concept

Floor plan of new restroom building, which will be heated so it can be open during winter. Restrooms will be locked overnight. Drinking fountains and entrances to restrooms will face towards playground.

At least one shelter by playground will be designated as a community shelter, open for everyone to use. Other shelters may be available for rent. Exact color of roof & frame to be determined.
