Lights On Afterschool

Lights on Afterschool this year was a hoot! At Prairie Trace Elementary, we had a costume party. The students were able to make Halloween crafts, have a Halloween dance, and played different gym games. The students had a blast at the party, and it is definitely something we all look forward to each year. We are already planning what to do for the 2020 Lights on Afterschool party.

Red Ribbon Week

Last week at PTE was Red Ribbon Week! A fun way to remind kids that the best choice is a drug free choice! They had days like crazy sock day, hat day, and pajama day! The kids always have a blast this week, and we love to take part as well in the afterschool program!
