

extended school enrichment

ACTIVITY PLANS

AM Activities (7:00-7:25)

Monday: Just Bead it – We're getting crafty with beads to start our week. Every Monday we'll make a lovely piece of jewelry or craft with beads!

Tuesday: Old School games - Come join our gym club to learn some games your parents played when they were in elementary school! We're kicking it old school.

Wednesday: Snow Crafts – Winter is here and we're going to craft about it. Each week student will make snow themed crafts to match the wonderful white outdoors.

Thursday: Mileage - Lace up your shoes and get ready to run. Students will build their stamina and get their heart rate up before school start.

Friday: Fuse Beads - It's an ESE favorite for our Friday mornings, fuse beads! Students get to make different patterns from tiny plastic beads. When they are done, counselor's will iron them to melt and connect together for their masterpiece.
