- **Kickin' It:** Get your legs going in this club that will have a variety of games that all involving kicking in some ways. Highlights will include different variations of kickball & soccer.
- **Learn to Draw:** Fine tune your drawing skills or learn some new ones as you follow along with step by step printed directions on how to draw some amazing works of art. Highlights include Minions, ice cream cone, a castle & a perspective drawing.
- **Circle Around:** Circle up in this club that will have a variety of games all played in a circle or with a circle object. Highlights include silent ball, flinch, steal the gold & hula hoop showdown.
- **Board Games:** Enjoy some restful & calm board games with your friends. Choose from a variety of board games that your ESE program has on site.
- **STEM-Tastic:** Focus your brain with activities involving Science, Technology, Engineering & Mathematics. Highlights include craft stick connectors, insect art and index card towers.
- **Color Mania:** Use all the colors of the rainbow to put your own creative spin on amazing, printed coloring pages for you to color & take home. Highlights include animals, abstract, word art & flowers.
- **Dip, Duck, Dive, Dodge:** We know this is an ESE favorite! Split into teams and enjoy a high energy game of dodgeballs in a variety of ways. Highlights include backboard dodgeball, crazyball, Jedi dodgeball & more!
- **Bingo:** Shout it out when you get it! Straight line, diagonal, four corners, cover all & more, if you get a bingo shout it out loud for a chance to win a prize.

- **Construction Zone:** Get creative with your building abilities while using a variety of building materials such as Legos, connecting straws, zoobs & more.
- **Outdoor Games:** Take the fun outside while the weather is still nice. Students will participate in some classic outdoor games such as sidewalk chalk games, capture the flag & playground obstacle courses.
- **Fold & Fly:** Learn how to create a variety of paper airplanes. Fine tune your folds and test out your plane in a flying contest. Highlights include spy plane, headhunter & the hammer planes.
- **Extreme Dot-to-Dots:** You may remember the traditional connect the dot worksheets, but this version takes it to the extreme! With even more dots to connect and sometimes special ways of connecting them it is sure to challenge your connect the dot skills!
- **Rock the Vote:** Everyone will get a vote in this club that will present each week 3 new games to vote between. The winning vote will be the one that is played that day. Highlights include basketball, noodle hockey, gagaball & more.
- **Fusin' Fun:** Let your creativity shine in this fuse bead club that will guide you with some suggestions on what to make. The counselor will "fuse" your creation with the iron when you are done to take home.
- **Movie Mania:** Sit back, relax & unwind from a busy week of school by watching a movie with your friends.
